COMMISSIONER FOR PATENTS
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

Applicant wishes to draw attention to the documents listed on the accompanying information disclosure statement. A copy of GB 2279187 is also enclosed.

With the exception of US 6,177,768, the documents listed in the information disclosure statement were cited in the International Search Report. US 6,177,768 is the U.S. equivalent of EP 0926928 which was cited in the International Search Report. Since the International Search Report indicates the degree of relevance, applicant believes that the requirement for a concise explanation of the relevance of any document that is not in the English language has been satisfied. See MPEP 609.

Pursuant to MPEP 609, it is requested that the Examiner should initial the information disclosure statement to confirm that each document has been considered, and return a copy of the form to the undersigned with the first Office Action. **The PAIR record for this application does not show that a first Office Action on the merits has been mailed.**
